

**Name:** Ken S. Ho, MD, MPH  
**Title:** Assistant Professor of Medicine  
**Division:** Infectious Diseases

**Primary Email:** hok2@upmc.edu

**Assistant:** Patricia Paulson  
**Primary Email:** ppaulson@pitt.edu

**Phone number:** 412-383-1675

*Key questions defining research program:*

- 1) How can pre-exposure prophylaxis be implemented to benefit individuals and communities most impacted by HIV?
- 2) Can a potent, effective, safe microbicide be developed for prevention of HIV?

*Key words describing research program:*

- 1) PrEP
- 2) Microbicides
- 3) Implementation Science
- 4) Clinical trials

*Titles for shovel-ready research projects:*

- 1) Investigating pre-exposure prophylaxis in the Multicenter AIDS Cohort Study (demographic characteristics, assessing risk of compensation, changes in STI rates and condom use pre and post PREP)

*Data sources for shovel-ready research projects:*

- 1) Multicenter AIDS Cohort Study
