*Primary Email:* rtd4@pitt.edu

*Assistant:* Linda Sadej

*Assistant's Email:* sadej@pitt.edu

*Phone Number:* 412.383.8123

### *Key words defining research program:*

- biomarkers
- systemic sclerosis
- mRNA
- scleroderma
- autoimmunity

### *Titles for shovel-ready research projects:*

- Bioinformatic analyses of skin mRNA and serum biomarkers in therapeutic trials of patients with systemic sclerosis
- Clinical epidemiology projects using a prospectively collected longitudinal database on patients with systemic sclerosis.

### *Data sources for shovel-ready research projects:*

- Prospectively collected longitudinal database on patients with systemic sclerosis
